Request For Advice from Speech and Language Therapy

The school would like to gain advice from a speech and language therapist for your child to help them develop their speaking and listening goals within the national curriculum. Your child may also have the opportunity to be included within a group run by the therapist to develop their speaking and listening skills.

As parent/guardian please sign below to give permission for the teacher and therapist to discuss the child's curriculum profile and if needed, for the therapist to observe/talk with your child.

If you are happy for the school to do this please complete and return the information below:

Child Name..... DOB:.....
